paralysis Plea Fails to Keep Classes from Beginning Monday.

CHILDREN SAFER, PHYSICIAN ASSERTS

Cases Decrease, Although More Deaths Reported-After-Care Planned.

The opening of the public and parochial schools of the city, delayed befantile paralysis, will take lace Monday, Mayor Mitchel ansunced yesterday after a conference with Dr. Haven Emerson, Health Commissioner, and William G. Willcox, president of the Board of Education. I called these gentlemen in because I wanted their judgment," the Mayor said, "and they both agree that there is no reason why the schools cannot

be opened on Monday." In a letter to Mr. Willcox regarding the opening of the schools, Dr. L. Emmett Holt, professor of children's dis-

Sees No Peril to Pupils.

"It is probable occasional cases will occur through the month of October and perhaps November." he says, "but I do not think this number will materially lessen if the public schools do not open until December."

Is was the sentiment of the men who attended the Mayor's conference that the children would be safer in school, with the precautions that will be taken, when if they were allowed to congre-

than if they were allowed to congre-rate on the streets. Ninety-five per cent of the children of school age have in the disease, according to

resterday's reports of the Depart-tent of Health on infantile paralysis how a decrease in the number of new wenty-seven new cases, as against twenty on Friday, and six deaths to sleven listed yesterday.

After Care Instruction.

Miss Miriam T. Sweeney, of the Children's Hospital of Boston, will, within a few days, start to instruct a class of nurses employed by the After

irty-nine upstate cases of infan- port adds.

who wouldn't laught? Gosh, it's great to be home again."

Although they are under a ten days' quarantine, ordered by the Board of Health, members of the regiment are permitted to go to their homes at night, reporting at the armory at 9 o'clock each morning. No member of their families is allowed in the building, however.

A direct reporting with the 5th was staged this morning with the 5th

As the men look back on their summer in Texas they agree that it was not so bad after all. To many the prospect of returning to an office desk, after several months in the open, is hard to face. Although there are a few grumblers, the majority refer to their border service as "some trip" and laugh over the complaints which were so prevalent after the troops were first party assentially found in the grind of discipline in this desert country.

General O'Ryan led a column of incompressions of the reviewing ground gave the soldiers one of the few laughs they have found from the grind of discipline in this desert country. laugh over the complaints which were against after the troops were first mobilized.

At the 14th Regiment armory, in falled to notice a road leading off to the right from the main road to History.

failed to notice a road leading off to the right from the main road to Hi-dalgo, and led the column on for more than a mile. Nobody had the nerve to tell the Brooklyn, where the men are also un-der quarantine, an officer said yester-day that many of the members of the organization wanted to stay on the border. Their contention was, he said, that they had enlisted for real service and they did not want to return before trudged on under their heavy packs. they had seen it.

Fourteenth Eager to Serve.

"While the men are glad to be home, they would be willing to go to the front to-morrow, if they were ordered out." he said. "Many of them think they have regrets for the time they spent in Texas, but they really haven't. They are in splendid physical condition, and the 14th is a much more efficient military organization than it of the trail that led to the reviewing station. There was cactus for a background as the divisional units each flew are in splendid physical condition, and the 14th is a much more efficient military organization than it of the wise the show was almost identification, and the same are not of the said. was in June, so, speaking as an officer, I feel that the summer has been worth while."

While the regiment remains in the ment, now an integral part of General will have daily O'Ryan's command, is fighting

Federal service the men will have daily drills on the Prospect Park parade ground. No further cases of paratyphoid have appeared in the regiment, achieved to-day.
